VALPARAÍSO, 26 DIC. 2016

RES. EX. Nº **11959** / VISTOS: Lo informado por el

Departamento de Pesca Artesanal del Servicio Nacional de Pesca y Acuicultura, mediante Informe técnico Nº 97020, denominado "Caducidad Listas de Espera de las inscripciones y categorías de los pescadores artesanales y embarcaciones en el Registro Pesquero Artesanal", del Servicio Nacional de Pesca y Acuicultura, el D.F.L. Nº 5, de 1983 y sus modificaciones, la Ley General de Pesca y Acuicultura Nº 18.892 y sus modificaciones, cuyo texto refundido, coordinado y sistematizado fue fijado por el Decreto Supremo Nº 430, de 1991, el Decreto Supremo Nº 635 de 1991, ambos del Ministerio de Economía, Fomento y Reconstrucción, actualmente, Ministerio de Economía, Fomento y Turismo; la Ley Nº 19.880, que establece bases de los procedimientos administrativos que rigen los actos de los Órganos de la Administración del Estado, y la Resolución Nº 1.600, de 2008, de la Contraloría General de la República.

CONSIDERANDO:

Que, la Ley Nº 18.892, General de Pesca y Acuicultura y sus modificaciones, en adelante Ley de Pesca dispone en su artículo 2º numeral 28 que la pesca artesanal es aquella "actividad pesquera extractiva realizada por personas naturales que, en forma personal, directa y habitual, trabajan como pescadores artesanales inscritos en el Registro Pesquero Artesanal, con o sin el empleo de una embarcación artesanal.", agregando su numeral 39) que el Registro Nacional Pesquero Artesanal o Registro Artesanal es aquella "nómina de pescadores y embarcaciones artesanales habilitados para realizar actividades de pesca artesanal, que llevará el Servicio por regiones, caletas base, categorías y pesquerías con sus respectivos artes y aparejos de pesca. También se inscribirán en este registro las organizaciones de pescadores artesanales. El Registro será público y estará disponible en la página de dominio electrónico del Servicio, actualizado en el mes de junio de cada año."

Que, la citada Ley, luego establece en su Título IV párrafo 1º y 2º normas relativas al Régimen de Acceso y Atribuciones para la Conservación de los Recursos Hidrobiológicos y normas relativas al Registro Nacional de Pescadores Artesanales, a cargo del Servicio Nacional de Pesca.

Que así, el inciso primero del artículo 50º de la Ley de Pesca, establece que *"El régimen de acceso a la explotación de los recursos hidrobiológicos para la pesca artesanal es el de libertad de pesca. No obstante, para ejercer actividades pesqueras extractivas los pescadores artesanales y sus embarcaciones deben inscribirse previamente en el registro artesanal que lleva el Servicio"*.

Que luego, dispone en el inciso segundo que *"Con el fin de cautelar la preservación de los recursos hidrobiológicos cuando una o más especies hayan alcanzado un estado de plena explotación, la Subsecretaría, mediante resolución, previo informe técnico debidamente fundamentado del Consejo Zonal de Pesca que corresponda, podrá suspender transitoriamente por categoría de pescador artesanal y por pesquería, la inscripción en el registro artesanal en una o más regiones"*.

Que, al producirse la suspensión transitoria de la inscripción en el registro artesanal en una o más regiones, la misma Ley de Pesca en el inciso octavo del artículo 50º establece que *"El reglamento determinará el procedimiento de sustitución de embarcaciones artesanales, como así mismo el procedimiento de reemplazo en los casos que se produzcan vacantes en el número de pescadores inscritos, durante el período de suspensión de inscripción en el registro artesanal. La Subsecretaría determinará, por resolución fundada, el número de inscripciones vacantes que podrán ser reemplazadas, de modo que el esfuerzo de pesca ejercido en cada pesquería no afecte la sustentabilidad del recurso"*.

Que, de conformidad con la norma citada, es el Decreto Supremo Nº 388 del año 1995 del Ministerio de Economía, Fomento y Turismo, el que regula en su Título III El Reemplazo de una inscripción Vacante en el Registro Artesanal, fijando el procedimiento para el reemplazo de las inscripciones vacantes cuando se encuentren suspendidas las inscripciones en el Registro Artesanal.

Que, el artículo 11º del Decreto Supremo Nº 388 del año 1995, dispone que *"Para los efectos del reemplazo, y mientras permanezca cerrado el Registro Artesanal, las oficinas del Servicio recibirán las solicitudes de inscripción que se presenten con el objeto de constituir una nomina ordenada según fecha y hora de ingreso, categoría de pescador artesanal y pesquerías."*

Que, conformidad con la disposición citada, para el reemplazo de una inscripción vacante, el Servicio conformará la lista de espera, que constituye una nómina ordenada según fecha y hora de ingreso, categoría de pescador artesanal y pesquerías, que permite determinar y establecer el número de pescadores artesanales que han solicitado la inscripción en una pesquería con acceso cerrado o suspendido y su orden de preferencia o prelación cuando tenga lugar el reemplazo de la inscripción vacante en el Registro Artesanal.

Que, en virtud de lo ya señalado, la conformación de la lista de espera tendrá lugar cuando se solicite al Servicio por parte de un pescador artesanal propiamente tal, buzo mariscador, recolector de orilla, alguero o buzo apnea y armador artesanal la inscripción de una pesquería que se encuentre con su acceso cerrado o suspendido, atendido un trámite de inscripción o de modificación de inscripción en el Registro Pesquero Artesanal.

Que, con fecha 09 de febrero de 2013, se publicó en el Diario Oficial la Ley N° 20.657 que modificó la Ley de Pesca, incorporando los siguientes incisos a su artículo 55º: "En el plazo de dos meses a contar de la resolución del Servicio a que se refiere el inciso primero, la Subsecretaría deberá dictar la resolución estableciendo el número de vacantes, si procede de conformidad al inciso noveno del artículo 50 de esta ley." "Para proveer la vacante sólo se considerará a los pescadores artesanales que cumplan las reglas de habitualidad establecidas en el artículo 50 B". "La inscripción en las listas de espera caducará en el plazo de tres años a contar de la inscripción."

Que, de conformidad con el inciso final de la precitada disposición, la inscripción en las listas de espera caducarán en el plazo de tres años a contar de la inscripción y dicho plazo ha de contarse desde la fecha de publicación de la Ley 20.657 (09/02/2013), por lo que corresponde desde el presente año 2016 declarar dicha caducidad.

Que, de conformidad con lo anterior, el año 2016 corresponde caducar las listas de espera constituidas hasta el 09 de febrero del año 2013 y para efecto de declarar la caducidad de las listas de espera, se considerarán únicamente las inscripciones activas en el Registro Artesanal, por categoría y fecha de inscripción de la pesquería que se encuentra con acceso cerrado o suspendido.

Que, el Servicio a través de un proceso de extracción de datos confeccionó la nómina oficial de las inscripciones por categoría de los pescadores y embarcaciones en el Registro Artesanal sujetas a la declaración de caducidad, contenida en la presente Resolución.
